- I certify that the above boat complies with:
  - Keelers: Part II of the Yachting New Zealand ("YNZ") Safety Regulations, Category 5 upgraded to include a VHF transceiver, bosun's chair, and Wellington Harbour Chart NZ 4633.

  - Sportboats: Part VI of the YNZ Safety Regulations, Category A upgraded to include a waterproof VHF transceiver (or a VHF transceiver in a waterproof bag), one "First aid kit - basic" (as described in the YNZ Safety Regulations Appendix "A"), at least 10 litres of fuel, and Wellington Harbour Chart NZ 4633. - I further certify that I will maintain the boat and all its equipment in good order in order to continually comply with the YNZ safety Regulations.
- I have read and understand my obligations as set out below and in the YNZ Safety Regulations, Part II, 1-2.5:
  - 2.1 The safety of a yacht and her crew is the sole and inescapable responsibility of the skipper who must do his/her best to ensure that the yacht is fully found, thoroughly seaworthy and manned by an experienced crew who are physically fit to face bad weather. He/she must be satisfied as to the soundness of hull, spars, rigging, sails and all gear. He/she must ensure that all safety equipment is properly maintained and stowed and that the crew know where it is kept and be trained in its use.
  - 2.2 The Maritime Transport Act 1994 states that the master of the vessel is at all times responsible for the safety of the vessel, the safety of those on board, discipline on board and for complying with all maritime rules, regulations and bylaws.
  - 2.3 Neither the establishment of these Safety Regulations, their use by Organising Authorities, nor the inspection of a yacht under these Regulations in any way limits or reduces the complete and unlimited responsibility of the skipper.
  - 2.4 It is the sole and exclusive responsibility of the skipper of each yacht to decide whether or not to start or continue the race or voyage.
  - 2.5 Skippers and crews. The Maritime Transport Act 1994 states that it is an offence to operate, maintain, or carry out any other act involving any vessel or maritime product, that creates an unnecessary risk or danger to persons or property.
