#### Notice to Competitors (NTC08)

#### Youth Race start time change - 12th May 2024

Please be informed that the start time for the upcoming Youth Race scheduled for 12th May 2024 has been changed from 1300hrs to 1000hrs.

#### Reason for the changes:

The decision to revert to the original start time of 1000hrs was made based on historical scheduling practices. Additionally, weather forecasts suggest that winds will be lighter and more favourable earlier in the morning.

We apologise for any inconvenience caused by this change. Please note that advertising materials have already been distributed with the 1000hrs start time, ensuring consistency with our initial announcements.

Thank you for your understanding. We look forward to a successful and enjoyable race day.

Irene Muirhead
