### Fitzroy Bay Race resail

The Fitzroy Bay Race was postponed on 10th December 2023 due to high winds and we have the opportunity to reschedule the race on Saturday 9th March 2024 @ 1100hrs with the 24hr Endurance Yacht race start.

Every boat will have their times taken and the 24hr race boats will carry on with the rest of their race.

#### **Explanation**

*As the 24hr Endurance Yacht Race is going to Fitzroy Bay and back to their Start/Finish line for their 1st Lap it made sense to also run the Fitzroy Bay race alongside this.*
